

SPRING MEDICINE

Many People Suffer From Impure Blood

Pimples, sallow complexion, itching, sores, anaemia, poor watery blood, are all a sign that your blood is in an unhealthy condition. The life of the blood depends upon rich, pure blood, and the only way to become strong and well is to get at the root of the disease and remove the cause.

A. D. S. Sarsaparilla Compound

Is unequalled as a remedy for the cure of all blood diseases and as a spring medicine

COMMERCIAL CLUB DIRECTORS MEETING

At the regular weekly meeting of the Commercial Club at 10 a. m. today there were present President L. L. McInnis, Vice President A. W. Wilkerson, Secretary L. M. Hewitt and Messrs. J. T. Lawler, E. J. Jenkins, J. W. Doremus, Ed S. Derden, A. W. Buchanan, J. D. Martin, O. E. Saunders and J. Howard Wyant.

Mr. Lawler, chairman of the building committee, reported that full plans and ways and means for building the club office would be ready for the next meeting.

Secretary Hewitt reported that he had taken up with 515 commercial organizations of the state the question of a remedy for the extortionate insurance rates, and that he had received replies from a large number pledging concerted action to have the rating board abolished, putting insurance on a competitive basis. He had also received a letter from the governor saying he is in favor of abolishing the rating board. He has written to Judge Ramsey asking for his views on the subject. He is now preparing a statistical article on the subject. The report was ordered filed and the secretary instructed to continue the work for relief.

One member of the board reported that his insurance had been raised from \$6 per year to \$17 for the same haberdashery that he had had for twenty-five years, and he ordered the policy canceled.

He spoke of the unusual city-like appearance of Bryan as compared with other towns of our size, and was likewise astonished to find a printing plant of such magnitude located here.
